detail

🔍 [Sonic](#) discovers a new ability that may be the key to defeating Nine. But Nine's endless army has only one purpose: to capture 🔍 [Sonic](#)'s energy.

Nine, enough. We can still end this.

Whoa!

(*weapon blasts whir*)

Together.

Together?

You only care about getting back to your precious Green Hill.

I care about all of this.

You, the Shatterverse, and everyone inside of it.

I know you do too.

And that Prism power...

Is my ticket to protecting my new world.

Once I take the remaining Prism energy that's in you, the Grim will be saved.

Look around.

You've already lost and you don't even know it.

Your so-called friends won't be doing any more fighting.

Meanwhile, my army has one purpose: to get your energy.

(*explosion blasts*)

It's gonna take more than just a few knockoff robots to slow me down.

(*grunts*)

(*groans*) Need more power!

🔍 [Sonic](#): It's working.

They're losing power.

(*yells*)

Sure you can handle all that juice, pal?

(*yelling*)

(*theme music plays*)

Let him fall, but catch him before he hits the spire.

I need that energy.

(*yelling*)

(*groans*) Huh?

I was wondering what these puppies do in this place.

Get ready for some fancy footwork.

(*grunts*)

I never should have given you those regulators.

More power!

(*electronic whirring*)

( *Sonic strains*)

Huh? (*chuckles*)

Even better!

No!

(*grunts*)

(*groans, yells*)

Sonic: Oh!

( *Sonic screams*)

Splat.

(*moaning*)

(*thuds*)

(*grunts*)

You're looking pretty tired.

Sure you're not ready to give up?

(*moans*) Give up?

I can't.

You're the one who put me in this position.

Ah!

(*whirring*)

Now!

(*all grunting*)

(*babbling*)

(*grunting*)

Ha ha har, yeah!

(*grunting*)

(*grunts*)

(*grunts*) It worked.

The plan worked!

(*whirring*)

(*Nine groans*)

Fully charged.

Now you will feel the full force of my...

(*rumbling*)

Huh?

What?

(*grunting*)

You tricked me. [🔍 Clever.](#)

But betrayal comes easy to you.

How did you do it?

One, sneaky great plan.

Two, 'cause they trusted me.

I'm running out of time. I need you, all of you to listen to me.

Why should anyone listen to you?

Because I know how we can win.

And how do you propose we do that?

By letting him think he's won.

You can't protect your world, fight me and power your army.

(*yelling*)

Whoa, whoa, whoa, whoa. Ah!

(*screeching*)

(*grunts*)

(*screams*)

(*swords clatter*)

(*grunts*)

(*thuds*)

(*groans*)

No!

(*grunts*) We did it.

(*all cheer*)

(*sighs*) You think this is over, don't you?

It is over.

Now let's save the world... together.

I didn't start the decay, the Chaos Council did.

Then you betray me and bring everyone here to attack me.

(*sighs*) You forget who controls the Prism.

(*grunting*)

What are you doing?

I'm accelerating the decay.

Soon, you'll have no choice.

(*whirring*)

(*grunting*)

What is happening?

Huh? No!

Nine, this isn't you.

You'll destroy everything.

(*grunts, yells*)

( *Sonic* groans)

(*grunts*)

(*grunting*)

Oh, no.

(*Dr. Deep grunts, groans*)

(*grunting*)

(*yelling*)

(*electronic whirring*)

You're not just destroying your home.

You're destroying yourself.

I'm protecting my home!

(*grunts, exclaims*)

My Grims will eliminate your friends, and my Alphas will be by my side as I do the same to you.

All Alphas attack  Sonic... now!

Hold them back!

Eat plasma, metal scum!

(*all yelling and grunting*)

Prepare to be amazed, then deceased by the one and only Doc...

(*grunts*)

Eat fist, brute!

Take her!

(*grunts, yells*)

(*grunts*)

You aren't going anywhere.

(*grunting, groaning*)

(*groans*)

(*whirring*)

(*grunts, yells*)

It's not over.

His power supply is endless.

Nine.

We both dreamed of a better place, a better way of life.

But your world is falling apart.

A small sacrifice which I'll fix soon enough with your energy.

Ah!

(*🔍 [Sonic](#) groaning*)

(*grunts*)

Captain, lead this group. I got places to be!

You heard 'em, me hearties!

Button yer blowholes and drive 'em back! Full force!

(*all yell*)

(*yelling*)

(*grunts, groans*)

Yes!

(*yells*)

(*rumbling*)

(*chitters*)

Rebel: Oh, no... Big is back!

(*yells*)

(*weapons blast*)

(*grunts*)

(*groans angrily*)

(*panting*)

This is gonna hurt me a lot more than it's gonna hurt you.

What?

(*grunts*)

I've been waiting a long time for this, traitor.

Destroy the red one and bring me *🔍 [Sonic](#)*.

I need his energy.

Ah!

(*both grunt, groan*)

(*grunts*)

( *Sonic grunts*)

(*grunts*)

(*groans*)

(*yells*)

(*chuckles*)

(*groans*)

What do we do?

We do what we always do.

We fight to the last one standing!

(*all yelling*)

(*all grunting*)

Huh?

Huh?

(*mechanical roar*)

Ahoy!

Hey.

Sails! Mangey! You're alive!

But... how?

There was an explosion to be sure but twas nothing we couldn't fly away from.

Mostly.

Orders?

Stay on top of the Grim-bots and stay safe.

The rest of you, remember the plan.

Take out the Alphas and the others fall.

You heard her, Mangey. Light 'em up!

Ahh, I love the smell of froggy bombs in the morning.

Hold up, Captain.

With everyone distracted down here, we could make a serious run at that rock.

And with that kind of treasure, we wouldn't just be legends, we would be pirate kings.

Me beauty.

(*grunting, groaning*)

No! I have to have that energy.

(*whirring*)

(*yelling*)

Look out!

(*exclaiming*)

(*control panel beeping*)

(*moans*)

(*targeting system beeps*)

(*grunts*)

(*whirring*)

(*squawks*)

Argh. That's not good.

(*all cheering*)

It's working. The Grim Birdies are out!

Press the attack!

(*yells*)

(*exclaiming*)

(*grunting*)

The Grim Rouges are down! Don't stop! Keep going!

(*groans*)

(*grunting*)

Argh!

(*panting*)

(*grunting*)

Knucks, stop! Look!

We'll lose everything.

I gotta get through to him.

(*grunting*)

Dr. Deep: Oh, no.

Ah!

(*yells*)

Oh! Whoa!

(*grunting*)

(*chuckles*)

(*beeping*)

(*sighs*) Keep fightin', Batten! We can do this!

Aye aye, Capt... oh!

(*yelling*)

(*grunting*)

So much beauty.

Instead of dying in this desolate wasteland like the rest of these sea dogs, we'll be living like kings.

(*Black Rose strains*)

Forget them, Captain. We have to keep climbing.

Come on, Captain!

Ah!

(*grunting and groaning*)

Leave her be!

Dread?

(*grunting*)

Leave this one to me.

You came for me.

I finally realized there are things more important than a shiny rock.

But you already knew that, didn't ye?

I suppose I did.

For now and forever.

You'll always have me loyalty.

Captain Rose.

Did you just call me "Captain"?

Aye. Now, what are your orders?

Grab your sword and let's dole out some pirate justice.

You don't feel anything, but I do.

And that's what makes us different.

My masters had me believe that Birdie gave me my inner strength and power.

(*Birdie chirps*)

But I know now it was another lie.

Told to keep me under their control.

Symbolic of my oppression.

(*chirping*)

But I don't need this little bird for power.

And this little bird needs to be free.

The only thing I need is me!

Oh!

(*grunting*)

(*yelling*)

(*grunting, straining*)

(*whimpering*)

(*groans*)

(*grunts*)

(*straining*)

(*yelling*)

(*chirping*)

(*grunts*)

(*grunting*)

(*panting*)

Nine: It doesn't have to end like this, [🔗 Sonic](#).

I just need your energy.

Take them down.

(*grunts*) We are not finished!

No! How?

I am the ultimate life form.

Modest too!

(*yells*)

(*groans*)

(grunting)

Rose: We're losing ground. Get to the Citadel!

(dramatic music builds)

(grunting)

He's not gonna stop.

( Sonic grunts)

(both grunt)

(both grunting)

(blows thudding)

(theme music plays)
